Cumulative Report

OFFICE OF MANAGEMENT AND BUDGET

1975 RESCISSIONS AND DEFERRALS
Cumulative Report

APRIL 1975.

This report is submitted in fulfillment of the requirements of section 1014 of the Congressional Budget and Impoundment Control Act of 1974 (Pub. L. 93–344). Section 1014 provides for a monthly report listing all budget authority for the current fiscal year with respect to which as of the first day of such month, a special message has been transmitted to the Congress. This March report includes those deferrals and rescissions in the eight special messages sent by the President to the Congress in September, October, November, December, and January.

Rescissions (Attachment A). Since the last cumulative report, action has been completed on all rescissions currently before Congress. During the month of March, H.R. 3075 and H.R. 4075 were passed and are awaiting Presidential disposition. The bills address $1,782 million that the President proposed for rescission. To that figure the Comptroller General added $415 million as reclassified deferrals for a total of $2,197 million. Deferrals reclassified as rescissions by the General Accounting Office are footnoted in the deferrals section of the cumulative report.

Congress approved for rescission $260 million. However, final passage occurred after the expiration of the forty-five days allowed for Congressional consideration. For this reason the report will carry such funds as "Amount Made Available" and subsequently "Amount Rescinded." The President has released the remaining $1,937 million with the exception of the HUD 235 program ($264 million) which has been rejected by the Congress as both a rescission and deferral. The HUD deferral is discussed below and footnoted in the report itself.

Deferrals (Attachment B). In the last month, Congress has completed action overturning deferrals via nine impoundment resolutions. These require action by only one House of Congress. The House of Representatives has rejected seven deferrals and the Senate two, representing a total of $400 million in budget authority.

The Attorney General has ruled that several deferrals reported in special messages are not subject to Congressional ratification or disapproval under the Impoundment Control Act since they were concluded before the Act became effective on July 12, 1974. These items, marked by asterisks, are included in the report to provide more complete information on the status of withheld funds. One deferral included in a Senate impoundment resolution covering the HUD 235 Homeownership Assistance program fits into this category and has not been released.

In addition to those items affected by impoundment resolutions, two agencies released a total of $3 million not shown as OMB/Agency releases in previous reports.

Information from Special Messages. The eight special messages containing information on each of the rescissions and deferrals covered by the cumulative report are contained in the FEDERAL REGISTERS of:

Monday, September 23 (Vol. 39, No. 185, Part III), Tuesday, October 8 (Vol. 39, No. 196, Part V), Tuesday, November 5 (Vol. 39, No. 214, Part III), Tuesday, November 19 (Vol. 39, No. 224, Part III), Thursday, December 5 (Vol. 39, No. 235, Part IV), Wednesday, January 8 (Vol. 40, No. 5, Part IV), and Thursday, February 6 (Vol. 40, No. 26, Part III).

JAMES T. LYNN,
Director.

2/ As of March 1, 1975, Congress was considering legislation to either partially or fully rescind a number of these requests. Because of the expiration of the 45-day period, these amounts were made available for obligation.

3/ Contract Authority lapsed December 31, 1974.

4/ Enrolled bills H.R. 3260 and 4075 are awaiting Presidential disposition. These two bills represent action on all pending rescission proposals. In several cases involving these bills the President was forced to release funds which were later rescinded by Congress. In such cases, funds will be shown as "made available" and subsequently "rescinded."
